**AUDITOR'S REPORT**

To the Directors of
**The Board of Education for the**
**City of Hamilton Foundation**

We have audited the balance sheet of **The Board of Education for the City of Hamilton Foundation** as at December 31, 1991 and the statement of Surplus for the year then ended. These financial statements are the responsibility of the foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the foundation as at December 31, 1991 and the results of its operations for the year then ended in accordance with generally accepted accounting principles.

## 1. Significant Accounting Policy

The accrual basis of accounting is used to record revenues and expenditures; that is revenues are recorded when earned and expenditures are recorded when incurred.
